Good afternoon

We attempted service today at the residence. My server arrived at 7:15AM and waited until 10:30. He did not see her enter or leave the home. When he rang the bell at 10:30 there was no answer.

John,

Please let me know the dates/times that you attempted service previously. And at what addresses you attempted service for her home and for her place of business.

Can you also please re-attempt service today and (if necessary), tomorrow? (The deposition is scheduled for next Wednesday, June 28).

Finally, just to confirm, is the subpoena is being served with a check for the witness fee?

Thanks for your attention to this.

Mike
